

## **Acoustic Guitar Technique**

Todd works with all levels and ages of acoustic guitar players. He shares information from his two books on *Acoustic Guitar Technique for Contemporary Players* and draws on a vast knowledge base of teaching experience to provide attendees with a few simple tools they can take with them to take their playing to the next level.

Standard, G, D, Drop D and Double drop D tunings are covered as well as a way to graphically visualize similar shapes across the various tunings. Basic right hand finger style patterns and techniques are introduced.

### **Typical Topics Include:**

- Right Hand Picking Patterns
- Movement Techniques
- Common Chord Patterns
- Tunings
- Tunes For Application

Depending on audience level and direction of discussion, topics may include any or all of those listed.
